

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF VIRGINIA  
Norfolk Division

IN RE: ) UNDER SEAL  
GRAND JURY PROCEEDINGS ) CASE NUMBER 2:16cr 83

MOTION TO SEAL INDICTMENT

The United States of America, by and through its attorneys, Dana J. Boente, United States Attorney for the Eastern District of Virginia, and Stephen W. Haynie, Assistant United States Attorney, pursuant to Local Criminal Rule 49(B) moves to seal the indictment and arrest warrant(s) in this case.

Sealing is necessary to avoid notification of the existence of the arrest warrant(s) which could result in flight from prosecution, the destruction of or tampering with evidence, the intimidation of potential witnesses, jeopardize the safety of the arresting officers or otherwise jeopardize the investigation. Another procedure will not adequately protect the needs of law enforcement at this time.

Such sealing is within the discretion of this Court and may be granted "for any legitimate prosecutorial need." *United States v. Ramey*, 791 F.2d 317, 321 (4th Cir. 1986); *see also*, *Baltimore Sun Co. v. Goetz*, 886 F.2d 60, 65 (4th Cir. 1989).

The United States requests that the indictment and arrest warrant(s) remain under seal until the arrest of the defendant, at which time the indictment may be treated as a matter of public record.

The United States further requests that: (1) a certified copy of the indictment be provided to those law enforcement officials involved in the prosecution of this case; and (2) a copy of the sealed arrest warrant(s) be made available to agents of the Federal Bureau of Investigation for execution.
